

The Escalante Community Center offers
an Early Childhood Education Program for children ages 3 to 5 years old.
The Program includes organized activities with an emphasis on
developing social, motor and cognitive skills and classroom skills to
kick-start educational success.

Using Federal "gating criteria" [data from the State of Arizona, Maricopa County and with the health of community members and employees in mind], the City of Tempe continues to respond to the coronavirus pandemic. This includes the timing and planning of reopening facilities and restoring services. Currently the City of Tempe recommends that those who are not vaccinated wear masks when in our facility. Please refer to updated City of Tempe Covid-precautions as they become available. Thank you for your cooperation.
